2023

December 11

12.00-13.00	Lunch	
13.00-13.05	Greetings and introduction to the congress	Savarese G (SE) Braunschweig F (SE)
SESSION 1		
13.05-14.35	Updates from the Heart Failure Association of the European Society of Cardiology	Savarese G (SE) Rosano G (UK) Lainscak M (SL)
13:05-13:20	Updates in European Guidelines on Heart failure: what changes and why?	Metra M (IT)
13:20-13:35	Patient profiling in HFpEF: a roadmap to the treatment of patients with HFpEF	Anker S (DE)
13:35-13:50	Latest HFA/ESC scientific statements	Chioncel O (RO)
13:50-14:35	Round Table: Ask the experts	All
14.35-14.50	Coffee Break	
SESSION 2		
14.50-16.20	Latest updates on SGLT2i – multidisciplinary perspectives	Braunschweig F (SE) Solomon S (US) Zieroth S (CA)
14.50-15.00	Updates from the EMPEROR Program and EMPULSE	Anker S (DE)
15.00-15.10	Updates from the Dapa-HF and DELIVER Programs	Solomon S (US)
15.10-15.20	SGLT2i in kidney disease	Rossing P (DK)
15.20-15.30	SGLT2i in type 2 diabetes	Ferrannini G (SE)
15.30-15.40	What about the mechanisms?	Ferrannini E (IT)
15.40-15.50	What to consider when starting a SGLT2i in a patient with cardiometabolic disease	Rosano G (UK)
15.50-16.20	Round Table: Ask the experts	All
16.20-16.35	Coffee Break	
SESSION 3		
16.35-17.35	Iron deficiency in HF: summing up the current evidence	Butler J (US) Lainscak M (SL)
16.35-16.45	Why to screen HF patients for iron deficiency? Epidemiology and Pathophysiology	von Haehling S (DE)
16.45-16.55	Latest data on ferric carboxymaltose	Anker S (DE)
16.55-17.05	Latest data on ferric derisomaltose	Cleland J (UK)
17.05-17.35	Round Table: Ask the experts	All
17.35-17.55	Keynote lecture: State-of-the-art on GLP1-Ra in heart failure	Petrie M (UK)
17.55-18.00	Closure of the day	Savarese G (SE) Braunschweig F (SE)

2023

December 12

08.25-08.30	Greetings	Savarese G (SE) Braunschweig F (SE)
SESSION 4		
08.30-09.40	Beyond the 4 pillars of pharmacological treatment in HFrEF	Melin M (SE) Swedberg K (SE)
08.30-08.40	Ivabradine	Rosano G (UK)
08.40-08.50	Vericiguat	Lund L (SE)
08.50-09:00	Omecamtiv mecarbil	Solomon S (US)
09.00-09.10	What is coming next?	Filippatos G (GR)
09.10-09.20	Diuretic therapy: where do we stand?	Zieroth S (CA)
09.20-09.40	Round Table: Ask the experts	All
SESSION 5		
09.40-10.40	The evolving evidence on potassium binders	Lund L (SE) Lainscak M (SL) Zieroth S (CA)
09.40-09.50	Why do we need potassium binders?	Savarese G (SE)
09.50-10.00	Latest data on patiromer	Butler J (US)
10.00-10.10	Latest data on SZC	Rosano G (UK)
10.10-10.40	Round Table: Ask the experts	All
10.40-10.55	Coffee Break	
SESSION 6		
10.55-11.55	Implementation of GDMT: where do we stand?	Bayes-Genis A (ES) Cannata A (UK) Hage C (SE)
10.55-11.05	Status of GDMT implementation worldwide	Savarese G (SE)
11.05-11.15	Strategies to implement use of GDMT in HF	Bozkurt B (US)
11.15-11.25	Take home messages from the STRONG-HF trial	Chioncel O (RO)
11.25-11.55	Round Table: Ask the experts	All
11.55-12.55	Lunch	
SESSION 7		
12.55-14.05	The complicated relationship between ischemic heart disease and heart failure	Lindmark K (SE) Lund L (SE)
12.55-13.05	The PARADISE-MI trial	Solomon S (US)
13.05-13.15	The DAPA-MI	James S (SE)
13.15-13.25	The EMPACT-MI	Butler J (US)
13.25-13.35	The REVIVED-BCIS2	Petrie M (UK)
13.35-14.05	Round Table: Ask the experts	All

2023

December 12

SESSION 8

14.05-15.05	Heart Failure Devices	Cleland J (UK) Kinugawa K (JP) Ståhlberg M (SE)
14.05-14.15	Primary prophylactic ICD in HF: current debates	Braunschweig F (SE)
14.15-14.25	Resynchronization by CRT or conduction system pacing	Linde C (SE)
14.25-14.35	MONITOR-HF	Brugts J (NL)
14:35-15:15	Round Table: Still room for devices on top of pharmacological therapies?	All
15.15-15.30	Coffee Break	

SESSION 9

15.30-16.20	Treating mitral and tricuspid regurgitation in HF	Braunschweig F (SE) Rück A (SE) Savarese G (SE)
15.30-15.40	The importance to treat MR and TR in heart failure	Butler J (US)
15.40-15.50	Treating MR in the context of HF effectively	Adamo M (IT)
15.50-16.00	Treating TR today and tomorrow	Rück A (SE)
16.00-16.20	Round Table: Ask the experts	All

SESSION 10

16.20-16.50	The best of HF publications in 2023	Savarese G (SE) Bayes-Genis A (ES)
16.20-16.30	European Journal of Heart Failure	Adamo M (IT)
16.30-16.40	JACC HF	Bozkurt B (US)
16.40-16.50	ESC HF	Bäck M (SE)
16.50-16.55	Closure of the day	Savarese G (SE) Braunschweig F (SE)

This activity has been accredited (11 CME Credits) by the European Board for Accreditation of Continuing Education for Health Professionals (EBAC®).

The organizers would like to thank the following partners for their significant support in developing their educational activities:
